

Spanish 2 Course Syllabus

Course Description:

Spanish 2 is designed for students who have successfully completed Spanish 1 with the purpose of increasing proficiency in the Spanish language. Students will review and practice key concepts from Spanish 1, including present tense verbs, adjective noun agreement, the use of the verbs ser and estar (to be) and direct and indirect object pronouns. Students will also review preterite regular verbs and ser and ir (to be, to go) in the past tense. They will learn many grammatical concepts such as: presente, imperfect, double object pronouns, present perfect tense, past participles as adjectives and present subjunctive.

Part 1: 5 credit hours | Part 2: 5 credit hours
